ISSUE PAGE 2 - Corporate Video now ready! / Northern Ireland Electrical Tradeshow / Western Electrical join C&D stockists / Contact us

C&D Supply Relay's to Metronet once again!

> Craig and Derricott have secured an 18 month contract with Metronet valued in the region of £280k to supply relays on the rolling stock for the Bakerloo line.

The M type relays (as pictured) will replace and modernise existing equipment thus enhancing the reliability of the trains on the Bakerloo line. Metronet recognised C&D ability and expertise in design manufacture and testing, following a similar contract C&D completed 2 years ago on the District line trains.

'Relays supplied by C&D'

The brightest idea in LED lighting

'LED light tubes - RoHS Compliant'

> Craig and Derricott have launched a new range of high output LED lighting tubes for rail applications! The LED lighting tubes are designed specially for the rail industry and are tested and approved to R1A12 & 13. The LED light tubes are designed to provide low power consumption and no inverters or ballasts are required.

The range can act as a direct replacement in existing fittings. Other features and benefits include, high light output, robust assembly, bridging circuit to prevent polarity issues and availability in a range of sizes and voltages.

See the LED lighting tubes data sheet on our web site at this: <http://www.craigandderricott.co.uk/news/18>

'Click the screen to see our NEW Company video!'

> We are really proud and happy to announce that the C&D corporate video is now ready! Since the last newsletter our Marketing team has been working hard to perfect the short video that demonstrates our capabilities as a switchgear manufacturer! To view the video simply click the screen above...Enjoy!!

Western Electrical join C&D's stockist network

> Western Electrical has built their reputation on high standards of reliability and customer service. This is the same ethos

that Craig and Derricott has pursued for over 65 years! Western Electrical has now come on board as an official C&D stockist and are stocking the i-switch range on a Point of sale stand at their head branch in Devonport. Alan Gillard, Branch Manager at Western Electrical said, 'The stand is eye catching and informative it gives the customer the opportunity to see & feel the quality of the products. The products are very versatile, high quality and fantastic value for money, they are exactly what our customers are looking for and want'. C&D are proud to have Western Electrical on board and are looking forward to building a long standing relationship with them.

Northern Ireland Electrical Tradeshaw, a great success for C&D!

> C&D exhibited at the Northern Ireland Electrical Tradeshaw on the 26th and 27th of May 2010 at the Ramada Hotel in Belfast. The show was a great Success for C&D with many of the shows visitors having a go at the 'i-win' competition (as pictured below). Visitors were eager to get their hands on the new i-switch range which C&D launched in September 2009.

Janice Uprichard, Show Organiser and Publication

Manager of Northern Ireland's Electrical magazine, said, 'We were delighted to have Craig & Derricott take part in Northern Ireland's Electrical Trade Show as the company's quality range provided a lot of interest to installers as well as the large number of M&E consultants and specifiers who were in attendance'.

The range was showcased in Northern Ireland for the first time and received a very positive response!
